FAX: 410-770-6843

TTY: 410-822-8735

As we gear up for entering citizens homes (inspections of occupied homes and STR's) we have implemented the following guidelines for our inspectors and home owners / contractors to follow, which we will post on the County website and on our Inspection request Line.

1. Only one person on site for inspection, Owner or Contractor.
2. Owner / Contractor to wear mask and maintain 6' distance.
3. Inspector to wear Mask and Gloves.
4. Inspectors to dispose of gloves after each inspection and sanitize hands.
5. In the event these guidelines are not followed or the inspectors feel unsafe the inspector will stop the inspection and document reasons. The inspection shall be rescheduled.

Brent L. Garner  
Talbot County Building Official /  
Manager, Office of Permits and Inspections  
215 Bay St., Suite 3
